

Peterborough Civic Society

18 March 2020

Coronavirus pandemic

Dear Members and Supporters,

It is with regret that, due to the current national situation, the Civic Society committee has decided to suspend all social activity until further notice.

This includes our:

- Monthly meetings at St Mark's Church Hall for at least for 20 April and 11 May;
- Summer visits: we have been preparing a programme of four summer visits and were due to announce them shortly. It may be possible to go ahead with some of them. If so, we will let you know when the situation improves;
- Committee meetings for at least April and May.

The committee will continue to undertake activity such as monitoring planning proposals and applications and responding to press requests for comment, views and opinion.

We will await national and local developments and see whether other future events will take place e.g. Heritage Festival. We will then plan our involvement or otherwise.

Also postponed is the Blue Plaques presentation our vice-chairman was giving on 3 April in support of the Mayor's charities.

If any individual member would like a visit, help or assistance please get in touch with one of our committee members – see the complete list on the Contact Us page on our website.

Many thanks for your co-operation and forbearance. As soon as the situation improves I will contact you all again to let you know when activities will be resumed.

David Turnock
